SECOND SUPPLEMENT TO

# The Calcutta Gazette.

Published by Authority.

WEDNESDAY, SEPTEMBER 29, 1841.

FORT WILLIAM,  
LEGISLATIVE DEPARTMENT,  
THE 27TH SEPTEMBER, 1841.

The following Draft of a proposed Act was read in Council for the first time on the 27th September 1841.

ACT No. — OF 1841.

*An Act for amending the provisions of the Bengal Code touching Criminal Appeals, and the revision of Sentences and Orders of Criminal Courts.*

I. Whereas the provisions of the Bengal Code concerning Criminal Appeals and revision of Sentences and Orders of Criminal Courts required to be amended;—

It is hereby enacted, that those parts of the Bengal Code which concern the powers and duties of the Criminal Courts in respect to appeals and revision of sentences of a Lower Court by a higher, are repealed.

II. And it is hereby enacted, that from every sentence or order passed in Criminal trials, or in Judicial proceedings other than Criminal trials, by an Assistant to a Magistrate, or by a Sudder Ameen, or by a Law Officer, or by any other Officer under a Magistrate empowered to try Criminal cases within the limitation prescribed by Sections VIII. and IX. Regulation IX. 1793 there shall be permitted one appeal in such cases to the Magistrate, Joint Magistrate or Officer exercising the powers of Magistrate within one month from the date of such Sentence or Order. And from every Sentence or Order passed in Criminal trials or in judicial proceedings other than Criminal trials by a Magistrate, Joint Magistrate or Assistant to a Magistrate beyond the limitation prescribed by Sections VIII. and IX. Regulation IX. 1793, Section IV. Regulation XVI. 1793, and Sections VIII. and IX. Regulation VI. 1803, there shall be permitted within one month as aforesaid one appeal to the Sessions Judge. And from every Sentence or Order passed in a Criminal trial by a Sessions Judge, there shall be permitted within one month as aforesaid one appeal to the Court of Nizamut Adawlut. And except as provided in the next Section of this Act the Sentences or Orders passed upon such appeals shall be final.

III. And it is hereby enacted, that it shall be at all times lawful for the Courts of Nizamut Adawlut to call for the records of any Criminal trials of any Subordinate Court and to pass upon them such orders as may seem fit.

IV. Provided however, and it is hereby enacted, that it shall not be lawful for the Court of Nizamut Adawlut in cases so called for or for any Criminal Court in Appeals preferred to it, to enhance any punishment awarded, or to punish any person acquitted by the Court below.

V. And it is hereby enacted, that it shall be at all times lawful for a Sessions Judge and for a Magistrate, Joint Magistrate or Officer exercising the powers of Magistrate, to call for and examine the records of any Court immediately subordinate to their respective Courts, for the purpose of satisfying themselves as to the regularity of the proceedings of such Subordinate Courts: But it shall not be lawful for any

Court under the degree of the Nizamut Adawlut to alter any Sentence or Order of any Subordinate Court, except upon Appeal by parties concerned, duly made according to the provisions of this Act.

*First.*—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

*Second.*—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

*Third.*—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.
